

Mosquito Taxonomic Inventory (www.mosquito-taxonomic-inventory.info/)

Updated 27 July 2010 – Ralph Harbach

abdita (Barraud, 1931): *Verrallina (Harbachius)*
abdita Peyton, 1977: *Uranotaenia (Pseudoficalbia)*
abebela Dyar & Knab, 1908: *Wyeomyia (Wyeomyia)*
aberrans Harrison & Scanlon, 1975: *Anopheles (Anopheles)*
ablechra Dyar & Knab, 1908: *Wyeomyia (Wyeomyia)*
ablusa Harbach, 2009: *Chagasia*
abnormalis (Theobald, 1909): *Aedimorphus* [*Aedes (Aedimorphus)*]
abnormalis Lane, 1936: *Culex (Culex)*
abominator Dyar & Knab, 1909: *Culex (Melanoconion)*
abonnenci Clastrier, 1970: *Culex (Melanoconion)*
aboriginis (Dyar, 1917): *Ochlerotatus* (unplaced) [*Ochlerotatus (Ochlerotatus)*]
abserratus (Felt & Young, 1904): *Ochlerotatus* (unplaced) [*Ochlerotatus (Ochlerotatus)*]
abstrusa Peyton, 1977: *Uranotaenia (Pseudoficalbia)*
acaci Baisas, 1946: *Anopheles (Anopheles)*
acanthotorynus Komp, 1937: *Anopheles (Stethomyia)*
acaudatus (Leicester, 1908): *Toxorhynchites (Toxorhynchites)*
accelerans Root, 1927: *Culex (Aedinus)*
achaetae (Leicester, 1908): *Heizmannia (Mattinglyia)*
acharistus Root, 1927: *Culex (Culex)*
aconitus Dönitz, 1902: *Anopheles (Cellia)*
acrostichalis Edwards, 1941: *Culex (Eumelanomyia)*
aculeatus (Theobald, 1903): *Ochlerotatus (Gilesia)* [*Ochlerotatus (Ochlerotatus)*]
aculeatus Colless, 1965: *Culex (Lophoceraomyia)*
acutipalpus Colless, 1965: *Culex (Lophoceraomyia)*
acutisentis Arnell, 1973: *Haemagogus (Haemagogus)*
adairi Kirkpatrick, 1926: *Culex (Lasiosiphon)*
adamesi Sirivanakarn & Galindo, 1980: *Culex (Melanoconion)*
adami (Hamon & Mouchet, 1955): *Culex (Eumelanomyia)*
adami Ferrara & Eouzan, 1974: *Eretmapodites*
adami (Geoffroy, 1971): *Catageiomyia* [*Aedes (Aedimorphus)*]
adelpha Dyar & Knab, 1906: *Wyeomyia (Wyeomyia)*
adentata van den Assem, 1959: *Tripteroides (Rachisoura)*
adersi (Edwards, 1917): *Diceromyia* [*Aedes (Diceromyia)*]
adersianus Edwards, 1941: *Culex (Eumelanomyia)*
adusta (Laffoon, 1946): *Verrallina (Neomacleaya)*
aegypti (Linnaeus, 1762): *Stegomyia (Stegomyia)* [*Aedes (Stegomyia)*]
aenea Thurman, 1959: *Topomyia (Topomyia)*
aeneus (Edwards, 1921): *Tripteroides (Tripteroides)*
aeneus (Evans, 1926): *Toxorhynchites (Afrorhynchus)*
aenigma Harbach, 2000: *Onirion*
aenigmaticus (Cerqueira & Costa, 1946): *Ochlerotatus (Protoculex)* [*Ochlerotatus (Ochlerotatus)*]
aequatorianna Levi-Castillo, 1953: *Uranotaenia (Uranotaenia)*
aequatorianna Levi-Castillo, 1954: *Wyeomyia* (subgenus uncertain)
aerarius McIntosh, 1975: *Aedimorphus* [*Aedes (Aedimorphus)*]
aeritinctus Galindo & Trapido, 1967: *Haemagogus (Haemagogus)*
aestivus Sirivanakarn, 1977: *Culex (Lophoceraomyia)*
affinis (Edwards, 1913): *Tripteroides (Rachionotomyia)*
africana (Theobald, 1901): *Mansonia (Mansonioides)*
africana Neveu-Lemaire, 1906: *Aedeomyia (Lepiothauma)*
africana Theobald, 1901: *Stegomyia* [*Aedes (Stegomyia)*]
agastyai (Tewari & Hiriyani, 1992): *Tewarius* [*Aedes (Diceromyia)*]
agranensis Singh & Prakash, 2008: *Lutzia (Metalutzia)*
agrestis (Barraud, 1931): *Verrallina (Neomacleaya)*
agrihanensis (Bohart, 1957): *Stegomyia (Bohartius)* [*Aedes (Stegomyia)*]
aguilari Baisas & Feliciano, 1953: *Zeugomyia*
ahomi Chowdhury, 1929: *Anopheles (Anopheles)*

ainshamsi Gad, Harbach & Harrison, 2006: **Anopheles (Cellia)**
airosai Lane & Cerqueira, 1942: **Wyeomyia (Spilonympha)**
airozai Lane, 1945: **Culex (Phenacomyia)**
aitkeni (Schick, 1970): 'Ochlerotatus (Protomacleaya)'
aitkenii James, 1903: **Anopheles (Anopheles)**
akkeshiensis (Tanaka, 1998): **Ochlerotatus** (unplaced) [*Ochlerotatus (Ochlerotatus)*]
akritos Forattini & Sallum, 1995: **Culex (Melanoconion)**
alani Forattini, 1965: **Culex (Culex)**
alani Lane & Cerqueira, 1957: **Wyeomyia (Antunesmyia)**
alaskaensis (Ludlow, 1906): **Culiseta (Culiseta)**
alba Baker, 1936: **Orthopodomyia**
alba Theobald, 1901: **Uranotaenia (Uranotaenia)**
albertianus Edwards, 1941: **Culex (Eumelanomyia)**
albertoi Unti, 1941: **Anopheles (Nyssorhynchus)**
albescens (Edwards, 1921): **Ochlerotatus (Rusticoidus)**
albescens Taylor, 1914: **Uranotaenia (Uranotaenia)**
albicosta (Edwards, 1913): **Neomelaniconion** [*Aedes (Neomelaniconion)*]
albicosta (Lutz, 1904): **Orthopodomyia**
albicosta (Peryassú, 1908): **Coquillettidia (Rhynchotaenia)**
albifasciatus (Macquart, 1838): **Ochlerotatus** (unplaced) [*Ochlerotatus (Ochlerotatus)*]
albifera (Prado, 1931): **Coquillettidia (Rhynchotaenia)**
albigenu (Peryassú, 1908): **Psorophora (Janthinosoma)**
albilabris (Edwards, 1925): **Rampamyia** [*Ochlerotatus (Finlaya)*]
albimanus da Cunha Ramos & Brunhes, 2004: **Uranotaenia (Pseudoficalbia)**
albimanus Wiedemann, 1820: **Anopheles (Nyssorhynchus)**
albinensis Bonne-Wepster & Bonne, 1920: **Culex (Melanoconion)**
albinervis Edwards, 1929: **Culex (Oculeomyia)**
albineus (Séguy, 1923): **Ochlerotatus** (unplaced) [*Ochlerotatus (Ochlerotatus)*]
albinotata da Cunha Ramos & Brunhes, 2004: **Uranotaenia (Pseudoficalbia)**
albipes (Edwards, 1922): **Toxorhynchites (Toxorhynchites)**
albipes (Theobald, 1907): **Psorophora (Janthinosoma)**
albipes Leicester, 1904: **Orthopodomyia**
albipes Lutz, 1904: **Culex (Microculex)**
albipes Peyton, 1977: **Uranotaenia (Pseudoficalbia)**
albiprivus Theobald, 1903: **Sabethes (Sabethes)**
albiradius le Goff, Boussès & Brunhes, 2007: **Neomelaniconion**
albitarsis Lynch Arribalzaga, 1878: **Anopheles (Nyssorhynchus)**
albiventris Edwards, 1922: **Culex (Eumelanomyia)**
alboabdominalis Theobald, 1910: **Uranotaenia (Uranotaenia)**
alboannulata (Theobald, 1905): **Uranotaenia (Uranotaenia)**
alboannulatus (Macquart, 1850): **Dobrotworskyius** [*Ochlerotatus (Finlaya)*]
alboapicus (Schick, 1970): 'Ochlerotatus (Protomacleaya)'
albocephala da Cunha Ramos & Brunhes, 2004: **Uranotaenia (Uranotaenia)**
albocephala (Theobald, 1903): **Polyleptomyia** [*Aedes (Aedimorphus)*]
alboincinctus (Barraud, 1924): **Hopkinsius (Yamada)** [*Ochlerotatus (Finlaya)*]
albodorsalis Fontenille & Brunhes, 1985: **Aedimorphus** [*Aedes (Aedimorphus)*]
albolateralis (Theobald, 1908): **Downsiomyia** [*Ochlerotatus (Finlaya)*]
albolineata Theobald, 1904: **Scutomyia** [*Aedes (Scutomyia)*]
albomaculatus Theobald, 1903: **Haemagogus (Haemagogus)**
albomarginatus (Newstead, 1907): **Pseudarmigeres** [*Aedes (Pseudarmigeres)*]
albonivea (Barraud, 1934): **Downsiomyia** [*Ochlerotatus (Finlaya)*]
albonotata (Coquillett, 1906): **Howardina** [*Ochlerotatus (Howardina)*]
albopicta (Skuse, 1895): **Stegomyia** [*Aedes (Stegomyia)*]
alboscutellatus (Theobald, 1905): **Aedimorphus** [*Aedes (Aedimorphus)*]
alboscutellatus Lee, 1946: **Tripteroides (Tripteroides)**
albosquamata Bonne-Wepster & Bonne, 1919: **Wyeomyia** (subgenus uncertain)
alboternopleura Peters, 1963: **Uranotaenia (Uranotaenia)**
albotaeiniata Leicester, 1904: **Danielsia** [*Ochlerotatus (Finlaya)*]
albotaeiniatus (Theobald, 1903): **Anopheles (Anopheles)**
albothorax (Theobald, 1907): **Neomelaniconion** [*Aedes (Neomelaniconion)*]

alboventralis (Theobald, 1910): **Aedimorphus** [*Aedes* (*Aedimorphus*)]
alcasidi (Huang, 1972): **Stegomyia** [*Aedes* (*Stegomyia*)]
alcocki Bonne-Wepster & Bonne, 1920: **Culex (Melanoconion)**
alektorovi (Stackelberg, 1943): **Bruceharrisonius** [*Ochlerotatus* (*Bruceharrisonius*)]
alexandrei Gornostaeva, 2005: **Aedes** [*Aedes* (*Aedes*)]
algeriensis Theobald, 1903: **Anopheles (Anopheles)**
aliciae Duret, 1953: **Culex (Melanoconion)**
alienus Colless, 1957: **Culex (Culex)**
alinkios Sallum & Hutchings, 2003: **Culex (Melanoconion)**
alis Theobald, 1903: **Culex (Culex)**
alius (Lien, 1968): **Gilesius** [*Ochlerotatus* (*Finlaya*)]
alkatirii Toma, Miyagi & Syafruddin, 1995: **Armigeres (Armigeres)**
allostigma Howard, Dyar & Knab, 1915: **Lutzia (Lutzia)**
allotecnon (Kumm, Komp & Ruiz, 1940): **Howardina** [*Ochlerotatus* (*Howardina*)]
alocasicola (Marks, 1947): **Finlaya** [*Ochlerotatus* (*Finlaya*)]
alognatus Dyar, 1918: **Culex (Melanoconion)**
alongensis Venhuis, 1940: **Anopheles (Anopheles)**
alongi (Galliard & Ngu, 1947): **Bothaella** [*Aedes* (*Bothaella*)]
aloponotum (Dyar, 1917): **Ochlerotatus** (unplaced) [*Ochlerotatus* (*Ochlerotatus*)]
alorensis (Bonne-Wepster & Brug, 1932): **Stegomyia** [*Aedes* (*Stegomyia*)]
alorensis Sirivanakarn, 1977: **Culex (Lophoceraomyia)**
alphus Colless, 1965: **Culex (Lophoceraomyia)**
alternans (Westwood, 1835): **Mucidus (Mucidus)** [*Ochlerotatus* (*Mucidus*)]
alticola (Bonne-Wepster, 1948): '*Ochlerotatus* (*Finlaya*)'
altivallis Bonne-Wepster, 1948: **Tripteroides (Polylepidomyia)**
amabilis (Schick, 1970): '*Ochlerotatus* (*Protomacleaya*)'
amalthaea (de Meillon & Lavoipierre, 1944): **Stegomyia** [*Aedes* (*Stegomyia*)]
amaniensis van Someren & Hamon, 1964: **Culex (Eumelanomyia)**
amazonensis (Lutz, 1905): **Culex (Aedinus)**
amazonensis (Theobald, 1901): **Mansonia (Mansonia)**
amazonica Cerqueira, 1960: **Psorophora (Janthinosoma)**
amazonica Levi-Castillo, 1954: **Wyeomyia** (subgenus uncertain)
amazonicus Gordon & Evans, 1922: **Sabethes (Sabethes)**
ambodimanga da Cunha Ramos & Brunhes, 2004: **Uranotaenia (Pseudoficalbia)**
amboinensis (Doleschall, 1857): **Toxorhynchites (Toxorhynchites)**
ambreensis (Rodhain & Boutonnier, 1983): **Ochlerotatus** (unplaced) [*Ochlerotatus* (*Ochlerotatus*)]
ambremontis Brunhes & Hervy, 1995: **Orthopodomyia**
ameliae Casal, 1967: **Culex (Culex)**
amesii (Ludlow, 1903): **Lorrainea** [*Aedes* (*Lorrainea*)]
amictus Edwards, 1921: **Anopheles (Cellia)**
amiensis Peters, 1963: **Uranotaenia (Uranotaenia)**
amitis Komp, 1936: **Culex (Melanoconion)**
amurensis Maslov, 1964: **Culiseta (Culicella)**
ananae (Knight & Laffoon, 1946): **Finlaya** [*Ochlerotatus* (*Finlaya*)]
anastasionis Dyar, 1921: **Haemagogus (Haemagogus)**
anchietai Corrêa & Ramalho, 1968: **Anopheles (Anopheles)**
andamanensis (Edwards, 1922): **Verrallina (Neomacleaya)**
andamanensis Barraud, 1934: **Orthopodomyia**
andavakae Doucet, 1950: **Uranotaenia (Uranotaenia)**
andersoni (Edwards, 1926): **Ochlerotatus** (unplaced) [*Ochlerotatus* (*Ochlerotatus*)]
andersoni Edwards, 1914: **Culex (Culex)**
andinum Levi-Castillo, 1953: **Trichoprosopon**
andinus Levi-Castillo, 1954: **Limatus**
andinus Osorno-Mesa, 1944: **Haemagogus (Haemagogus)**
andreae Doucet, 1962: **Uranotaenia (Pseudoficalbia)**
andreas Edwards, 1927: **Culex (Eumelanomyia)**
andrewsi (Edwards, 1926): **Stegomyia** [*Aedes* (*Stegomyia*)]
andricus Root, 1927: **Culex (Melanoconion)**
anduzei Cerqueira & Lane, 1944: **Culex (Carrollia)**
anggiensis (Bonne-Wepster, 1937): **Patmarksia** [*Ochlerotatus* (*Finlaya*)]

angkoris Klein, 1977: *Topomyia* (*Topomyia*)
angolensis da Cunha Ramos & Ribeiro, 1992: *Eretmapodites*
angolensis da Cunha Ramos, 1985: *Uranotaenia* (*Uranotaenia*)
angolensis Ribeiro, 1992: *Toxorhynchites* (*Afrorhynchus*)
angusta (Edwards, 1935): *Stegomyia* [*Aedes* (*Stegomyia*)]
angustiplus Evenhuis & Steffan, 1986: *Toxorhynchites* (*Toxorhynchites*)
angustivittatus (Dyar & Knab, 1907): *Ochlerotatus* (*Ochlerotatus*)
anhydor Dyar, 1907: *Uranotaenia* (*Pseudoficalbia*)
aningae Motta & Lourenço-De-Oliveira, 2005: *Wyeomyia* (*Spilonympha*)
anips Dyar, 1916: *Culex* (*Melanoconion*)
ankaratrensis Brunhes & Hervy, 1995: *Orthopodomyia*
annandalei Barraud, 1926: *Uranotaenia* (*Uranotaenia*)
annandalei Prashad, 1918: *Anopheles* (*Anopheles*)
annandalei Theobald, 1910: *Stegomyia* (*Heteraspidion*) [*Aedes* (*Stegomyia*)]
annettii (Theobald, 1901): *Coquillettidia* (*Coquillettidia*)
annularis van der Wulp, 1884: *Anopheles* (*Cellia*)
annulata (Schrank, 1776): *Culiseta* (*Culiseta*)
annulata Leicester, 1908: *Mansonia* (*Mansonioides*)
annulata Theobald, 1901: *Uranotaenia* (*Pseudoficalbia*)
annulatus Haga, 1930: *Anopheles* (*Cellia*)
annulifera (Theobald, 1901): *Mansonia* (*Mansonioides*)
annulioris Theobald, 1901: *Culex* (*Oculeomyia*)
annulipalpis (Theobald, 1910): *Armigeres* (*Leicesteria*)
annulipalpis Lynch Arribázaga, 1878: *Anopheles* (*Anopheles*)
annulipes (Meigen, 1830): *Ochlerotatus* (unplaced) [*Ochlerotatus* (*Ochlerotatus*)]
annulipes Walker, 1856: *Anopheles* (*Cellia*)
annulirostris (Theobald, 1905): *Christophersomyia* [*Aedes* (*Christophersomyia*)]
annulirostris Skuse, 1889: *Culex* (*Culex*)
annulitarsis (Leicester, 1908): *Armigeres* (*Leicesteria*)
annuliventris (Blanchard, 1852): *Culex* (*Culex*)
annulus Theobald, 1901: *Culex* (*Culex*)
anomalophyllus Komp, 1936: *Anopheles* (*Nyssorhynchus*)
anopheloides (Giles, 1903): *Orthopodomyia*
anopheloides Brunhes & Razafindrasolo, 1975: *Uranotaenia* (*Uranotaenia*)
anoplicitus Forattini & Sallum, 1989: *Culex* (*Melanoconion*)
antalahaensis da Cunha Ramos & Brunhes, 2004: *Uranotaenia* (*Pseudoficalbia*)
antennalis Bohart & Farner, 1944: *Tripteroides* (*Tripteroides*)
antennalis Taylor, 1919: *Uranotaenia* (*Uranotaenia*)
antennatus (Becker, 1903): *Culex* (*Culex*)
antillumagnorum Dyar, 1928: *Culex* (*Micraedes*)
antipodea Dobrotworsky, 1962: *Culiseta* (*Climacura*)
antipodeus Edwards, 1920: *Ochlerotatus* (unplaced) [*Ochlerotatus* (*Ochlerotatus*)]
antunesi Galvão & Amaral, 1940: *Anopheles* (*Nyssorhynchus*)
antunesi Lane & Guimarães, 1937: *Wyeomyia* (*Phoniomyia*)
antunesi Lane & Whitman, 1943: *Culex* (*Carrollia*)
aobae (Belkin, 1962): *Stegomyia* [*Aedes* (*Stegomyia*)]
aphobema Dyar, 1918: *Wyeomyia* (*Dodecamyia*)
aphylactus Root, 1927: *Culex* (*Microculex*)
apicalis Adams, 1903: *Culex* (*Neoculex*)
apicalis Theobald, 1903: *Uranotaenia* (*Uranotaenia*)
apicimacula Dyar & Knab, 1906: *Anopheles* (*Anopheles*)
apicinus Philippi, 1865: *Culex* (*Culex*)
apicoannulatus (Edwards, 1912): *Elpeytonius* [*Aedes* (*Aedimorphus*)]
apicoargentea Theobald, 1909: *Stegomyia* [*Aedes* (*Stegomyia*)]
apicosquamata da Cunha Ramos & Brunhes, 2004: *Uranotaenia* (*Pseudoficalbia*)
apicotaeniata Theobald, 1909: *Uranotaenia* (*Pseudoficalbia*)
apicotriangulatus (Theobald, 1910): *Tripteroides* (*Polylepidomyia*)
apoci Marsh, 1933: *Anopheles* (*Cellia*)
apoensis Baisas & Ubaldo-Pagayon, 1953: *Tripteroides* (*Tricholeptomysia*)
apoensis Bohart & Farner, 1944: *Armigeres* (*Armigeres*)

aporonoma Dyar & Knab, 1906: **Wyeomyia (Triamyia)**
approximata Peyton, 1977: **Uranotaenia (Pseudoficalbia)**
apsarae Klein, 1977: **Topomyia (Suaymyia)**
aquarius Strickman, 1990: **Culex (Culex)**
aquasalis Curry, 1932: **Anopheles (Nyssorhynchus)**
arabiensis Patton, 1905: **Anopheles (Cellia)**
aranoideoides Dong, Zhou & Gong, 2004: **Tripteroides (Rachionotomyia)**
aranoides (Theobald, 1901): **Tripteroides (Rachionotomyia)**
arawak Berlin, 1969: **Culex (Micraedes)**
arbieeni Salem, 1938: **Culex (Maillotia)**
arborea Galindo, Carpenter & Trapido, 1951: **Wyeomyia (Exallomyia)**
arboREALIS (Bonne-Wepster & Bonne, 1920): **Howardina [Ochlerotatus (Howardina)]**
arboricola (Knight & Rozeboom, 1946): **Scutomyia [Aedes (Scutomyia)]**
arboricola Galindo & Mendez, 1961: **Culex (Melanoconion)**
arboricola Zavortink, 1970: **Anopheles (Anopheles)**
arboricollis (Charmoy, 1908): **Orthopodomyia**
archegus Dyar, 1929: **Culex (Culex)**
ardensis (Theobald, 1905): **Anopheles (Cellia)**
arenivaga Marks, 1968: **Culiseta** (subgenus uncertain)
argenteitarsis (Brug, 1932): **Patmarksia [Ochlerotatus (Finlaya)]**
argenteiventris (Theobald, 1905): **Tripteroides (Polylepidomyia)**
argenteolobatus (Gough, 1910): **Anopheles (Cellia)**
argenteopunctata (Theobald, 1901): **Catageiomyia [Aedes (Aedimorphus)]**
argenteopunctatus (Ventrillon, 1905): **Culex (Culex)**
argenteorostris (Bonne-Wepster & Bonne, 1920): **Wyeomyia** (subgenus uncertain)
argenteoscutellatus Carter & Wijesundara, 1948: **Aedimorphus [Aedes (Aedimorphus)]**
argenteoventralis (Theobald, 1909): **Pseudarmigeres [Aedes (Pseudarmigeres)]**
argenteoventralis Leicester, 1908: **Topomyia (Suaymyia)**
argenteipleura da Cunha Ramos & Brunhes, 2004: **Uranotaenia (Uranotaenia)**
arguellesi Baisas, 1935: **Uranotaenia (Uranotaenia)**
argyritarsis Robineau-Desvoidy, 1827: **Anopheles (Nyssorhynchus)**
argyrites (Dyar & Nunez Tovar, 1927): **Howardina [Ochlerotatus (Howardina)]**
argyromeris Dyar & Ludlow, 1921: **Haemagogus (Haemagogus)**
argyronotum (Belkin, 1962): **Patmarksia [Ochlerotatus (Finlaya)]**
argyropalpis Leicester, 1908: **Topomyia (Topomyia)**
argyropus (Swellingrebel, 1914): **Anopheles (Anopheles)**
argyropus (Walker, 1848): **Maorigoeldia**
argyrotarsis Leicester, 1908: **Uranotaenia (Uranotaenia)**
argyrothorax (Bonne-Wepster & Bonne, 1920): 'Ochlerotatus (Protomacleaya)
argyrurus (Edwards, 1934): **Udaya**
argyrurus Edwards, 1936: **Eretmapodites**
arizonensis Bohart, 1949: **Culex (Neoculex)**
arribalzagae (Theobald, 1903): **Coquillettidia (Rhynchotaenia)**
artemievi Gordeyev, Zvantsov, Goryacheva, Shaikevich & Yezhov, 2005: **Anopheles (Anopheles)**
arthrostigma (Lutz, 1905): **Wyeomyia (Wyeomyia)**
arthuri Unti, 1941: **Anopheles (Nyssorhynchus)**
articularis Philippi, 1865: **Culex (Culex)**
aruni Sobti, 1968: **Anopheles (Cellia)**
ascidiicola de Meijere, 1910: **Uranotaenia (Pseudoficalbia)**
ashworthi (Edwards, 1921): **Halaedes [Ochlerotatus (Halaedes)]**
asiaticus Leicester, 1904: **Anopheles (Anopheles)**
assamensis (Theobald, 1908): **Phagomyia [Ochlerotatus (Finlaya)]**
assamensis Bhattacharyya, Tewari, Prakash, Mohapatra & Mahanta, 2004: **Verrallina (Neomacleaya)**
asteliae Belkin, 1968: **Culex (Culex)**
astridianus de Meillon, 1942: **Culex (Culex)**
asulleptus (Theobald, 1903): **Limatus**
atacamensis González & Sallum, 2010: **Anopheles (Nyssorhynchus)**
atactavittatus (Arnell, 1976): **Ochlerotatus (Ochlerotatus)**
ater (Daniels, 1908): **Toxorhynchites (Toxorhynchites)**

atlantica (Edwards, 1932): **Culiseta (Culiseta)**
atlanticus (Dyar & Knab, 1906): **Ochlerotatus (Protoculex)** [*Ochlerotatus (Ochlerotatus)*]
atlanticus Adames, 1971: **Deinocerites**
atra (Lee, 1944): **Culiseta (Culicella)**
atra Theobald, 1905: **Uranotaenia (Pseudoficalbia)**
atracus Colless, 1960: **Culex (Lophoceraomyia)**
atrata Belkin, Heinemann & Page, 1970: **Wyeomyia (Wyeomyia)**
atratipes Skuse, 1889: **Anopheles (Anopheles)**
atratus Theobald, 1901: **Culex (Melanoconion)**
atria (Barraud, 1928): **Verrallina (Neomacleaya)**
atriceps Edwards, 1926: **Culex (Culex)**
atriisimilis (Tanaka & Mizusawa, 1973): **Verrallina (Neomacleaya)**
atripes (Skuse, 1889): **Tripteroides (Polylepidomyia)**
atropalpus (Coquillett, 1902): **Georgecraigius (Georgecraigius)** [*Ochlerotatus (Ochlerotatus)*]
atroparvus van Thiel, 1927: **Anopheles (Anopheles)**
atropos Dyar & Knab, 1906: **Anopheles (Anopheles)**
aurantapex Edwards, 1914: **Culex (Oculeomyia)**
auranticauda Lane, 1992: **Toxorhynchites (Toxorhynchites)**
